Magic Moments

The 1992 Edition Of "Magic Moments" Is Proudly Dedicated To . . .

. . . Mr. Glyn Burton, High School Math and Science instructor, for being awarded the TVA Teacher of the Year for the 1990-91 school year. Mr. Burton was chosen from among educators in 60 schools across 6 states for his work with students in 7th, 8th, and 9th grades in making contributions to the study and research of water quality in rural Carroll County. Congratulations Mr. Burton!! Clarksburg School and community are proud of you!!!

. . . Mrs. Estelle Rosser, who after 20 years of dedicated service to our school cafeteria, retired to spend more time at home with her family and friends. Many generations of faculty, staff, students, and community members will long remember Mrs. Estelle's cheerful smile and unselfishness in preparing and serving countless meals at Clarksburg School.

Class Size: 34

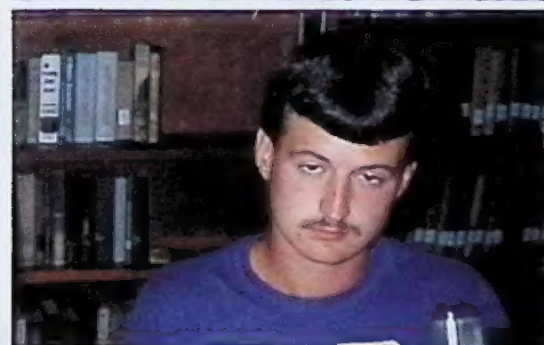

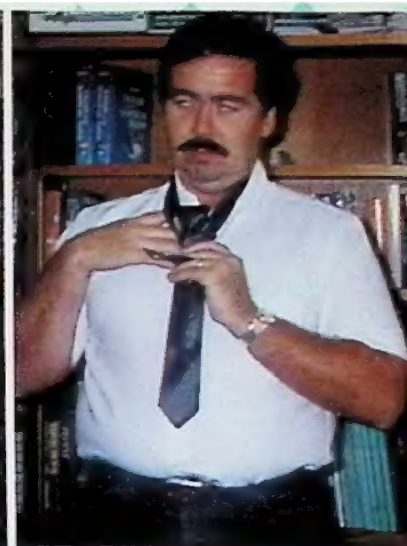

Colors: Blue and Silver

The Use Of Their Lovely Home For Senior Pictures.

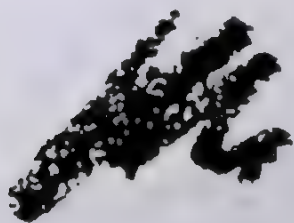

Reminded of the song "Friends and Friends Forever"
How we wish we could stay together
Like all, the dreams can't last.
Soon the present will be the past.

Now our time has come to part.
We have the memories within our heart.
As life leads us around the bend,
We all know the friendship doesn't end.

Through the laughter and the tears,
We've been together through the years.
We came together to learn and grow.
Most of all we've come to know,
As we head our separate ways,
The love inside us always stays.

Dedication To The Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear.
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb has just begun.
We're very glad to know you
We'll miss you when you've gone
And to the class of '92
We dedicate our Prom.

"OUR PEOPLE MAKE THE DIFFERENCE"

In any manufacturing operation, it is a combination of machines and people that contributes to the success of that operation. Good equipment is a primary need. But, at Norandal, the philosophy is that "it's the people who make the difference".

The difference is the Norandal Huntingdon personnel produce some of the widest aluminum sheet and thinnest foil products to be found anywhere in the world.

The corporation headquarters is located in Brentwood, Tennessee. Norandal is part of Noranda Finance, which is a subsidiary of Noranda Inc. of Toronto, Canada.

And is someone who is
 Always there for you
 Someone who is doing things
 One person who is
 Someone who is always with you —
 Even when you are
 And someone who is always
 And is so understanding —
 Someone on whom you depend
 And I am that real lucky person
 Who has that kind of friend.

Clarksburg School Counselor

Our Tribute To . . .

A very large populous of Carroll County and surrounding area was saddened Saturday night, February 29, 1992, because of the sudden death of one of our very best citizens, Mr. James McGill (Jim) Therrell. He was enjoying a high school basketball game at Trenton when he had a massive heart attack that took his life. Mr. Jim, as many fondly knew him, collapsed late in the third period while Clarksburg was playing South Fulton in the Region 7-A tournament. He was doing one of the things he enjoyed most and that was watching and supporting his Clarksburg Rockets play basketball.

Clarksburg had no greater citizen and supporter, not only of the school, but of the town and community as well. He was Clarksburg's first mayor, Chairman of the board of directors of the Clarksburg Utility District, charter member of the Carrol County Fair, a retired educator having taught agriculture at Clarksburg for some 30 years before retiring. He was a member of the Clarksburg Church of Christ and a charter member of the Clarksburg Ruritan Club which he helped organize in 1954. At the time of his death, he was also a member of the Board of Directors of the Bank of Huntington where he had served for over 22 years. He had served for many years on the Trust Committee of the bank. Wherever Mr. Jim was asked to serve, he had always done so with distinction and was respected by all who served with him. He was always willing to give of himself to helping others and promoting all that was good for our community and our country.

Mr. Jim was born January 25, 1913 in Clarksburg and lived there virtually his entire life except for a brief teaching stint in Kentucky. He came home and began teaching agriculture at Clarksburg School in 1946 and continued until he retired in 1976. During that time, Mr. Jim was a big fan of Clarksburg's basketball programs and was the master of ceremonies at many of the school's functions.

He is survived by his wife, Euva Amett Therrell, a son, James; two half sisters, Pauline Milam and Brooxie Lester; two half brothers, Wilson and Priest; three grandchildren, three step-grandchildren, and one great grandson. The Clarksburg High Basketball team served as Pallbearers. The Clarksburg Ruritan Club served as Honorary Pallbearers.

Mr. Jim, his humorous stories of time past, his presence at school and community happenings, and his willingness to serve will be greatly missed by all of us who were privileged to have made his acquaintance.

Mr. Jim Therrell

Accompanied by Mr. AD Jarrett (left), Coach Joe Dan Wooten (right) presented Mr. Jim Therrell's widow, Mrs. Euva Therrell, with a plaque from officials of Region 7-A Basketball in honor of Mr. Jim's outstanding participation as a Clarksburg Rocket Basketball fan. The award was presented to Mrs. Therrell during the annual Clarksburg Basketball Banquet, March 30, 1992, at the Carroll County Civic Center.
